### THE MARK & NOULA CUMINS NURSING SCHOLARSHIP ENDOWMENT

The scholarship program, established by Mark and Noura Cumins and generously funded through the Roper St. Francis Foundation and initiatives such as the Spirit of Caring Golf Tournament, is open to anyone entering the profession who has been accepted to a nursing school as well as to any current Roper St. Francis Healthcare employee seeking an advanced nursing degree. The Spirit of Caring Golf Tournament raises money to help address the national nursing shortage and minimize its impact on our local community by offering scholarships to students.
